

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success. An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. It is on sale at all drug stores in bottles of two sizes, medium and large. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Bennington Banner.

Mrs. May Higbee Lay Unconscious on Ground All Night

Though suffering greatly from shock and exhaustion, it is expected she will recover.

In the bygone days when street car fares were 5 cents for grownups and 3 cents for children under 12, two small boys of 12 and 7 mounted the platform. The younger boy had been promised the 2 cents change from the dime they had for carfare. He handed the coin to the conductor, who did not immediately turn over the pennies. The anxious child then remarked politely but forcefully, "I'm worth only 3 cents."—Chicago Tribune.
